Local Manufacturing: JUST FOR A PANDEMIC?
What is ‘Local’?
Why might we want to buy things made locally?
But ...

- Costs too much
- Is quality good enough?
- Takes too long to set up
- What happens when we won’t buy it anymore?
- Locally available products don’t meet our specification
- Not enough capacity locally
- Local manufacturers don’t meet our compliance

PRODUCT SPECIFICATION

Sector-wide

MANUFACTURER SUPPORT

Standard part of a response
This specialized face shield is suitable for both clinical and non-clinical purposes.
Gates’ Law

“Most people overestimate what they can achieve in a year and underestimate what they can achieve in ten years.”
